 University of Cincinnati
 Health Foundation of Greater Cincinnati

Question 34: Suppose the State of Ohio is unable to afford health coverage for everyone who is eligible for the Ohio Medicaid Program. Which of the following options would you MOST like to see Ohio lawmakers choose to address this: reduce the number of adults who receive health coverage through Medicaid, reduce the number of health care services covered by Medicaid, cut other state funded programs, increase the tax on cigarettes and alcohol, or increase the state sales tax?

	Reduce number of adults receiving Medicaid	Reduce number of health care services covered by Medicaid	Cut other state funded programs	Increase cigarette/alcohol taxes	Increase state sales tax	Don't know	Count
Ohio Residents	5.2%	3.5%	11.9%	60.6%	18.2%	.6%	835
