

Health care services available

Cincinnati Public Schools partners are working so school-based medical, dental, vision and mental health care services are still available to your student and family.

Call before you go. Many problems can be handled over the phone.

If you need to be seen, providers will tell you next steps. *Updated Sept. 8, 2020.*

SCHOOL-BASED HEALTH CARE

It's important to continue to manage pre-existing health conditions. If you have a health question, call your regular doctor or one of the school-based health centers below.

MENTAL HEALTH CARE

Back to school can be stressful for many, especially during the coronavirus pandemic. If you think your child could benefit from treatment, therapists partnered with your school are available now. Get their contact information through the MindPeace Cincinnati website (<https://mindpeacecincinnati.com/>) or by calling 513-803-0844. If you want to learn more about mental health and wellness, check out the State of Mind Series videos found at <https://mindpeacecincinnati.com/state-of-mind-speaker-series/>. If you need a tool to help your child calm themselves, please visit the Virtual MindPeace Rooms at the MindPeace website, too.

MEDICATION PICKUP

Student medications left at a school may have been transferred to the Cincinnati Health Department. If you need to get the medication, call 513-357-2824.
